TRIC OVERVIEW

TRIC brings the television and radio industries together to celebrate achievement and raise life changing funds for charity.

Our events recognise the talent shaping British entertainment, while using the power of those moments to support causes that matter. Through awards, raffles, auctions and sponsorships, we turn celebration into impact.

Whether you're interested in sponsoring, attending or volunteering, TRIC offers more than a night out. It's a chance to be part of an industry tradition that makes a real difference.

Get in touch to find out how you can support and take part in the UK's most recognised charity events for television and radio.

A WORD FROM OUR CHAIR

The TRIC Awards bring together the very best of British entertainment to celebrate talent across every platform - TV, radio, streaming, podcasts, and social media - while raising funds for Refuge and Bright Young Dreams through our live and silent auctions. On 23rd June 2026, experience an afternoon that honours the people who define our screens, airwaves, and digital spaces, from traditional broadcasters to digital pioneers, all gathered to recognise excellence and support causes that transform lives.

With spectacular live performances, cross-platform recognition that reflects how we actually consume entertainment today, and an atmosphere that blends celebration with genuine charitable purpose, the TRIC Awards deliver something truly special - an event where industry excellence and social impact come together.

Tables and sponsorships are already selling fast, making this one of the industry's most sought-after events. For 57 years, The TRIC Awards have been a trusted name in celebrating British broadcasting, and 2026 continues that respected tradition while looking firmly to the future.

Your presence contributes to an afternoon that goes beyond celebration - through our fundraising auctions, we generate crucial funds that provide emergency shelter for women fleeing domestic violence and programmes that increase mental health facilities and expand care provision for young people.

Whether you attend our events or donate throughout the year, you're supporting work that changes lives. This is your chance to be part of a well-established tradition that proves British entertainment isn't just about the content we create - it's about the positive difference we make together.

WHY A TRIC AWARD STANDS APART

THE PUBLIC'S CHOICE

TRIC nominations come from ratings and impact, as well as an industry panel featuring leading individuals from broadcasters and streamers, across both radio and TV and online. The winners are voted for directly from viewers and listeners - genuine recognition for the difference you have made in your audiences' lives.

BROADCASTING ROYALTY

Join an illustrious legacy of TRIC Presidents including Rob Rinder, Lorraine Kelly, Lisa Snowden, Jeff Stelling, Kate Garraway, and our current President Dan Walker. You're part of broadcasting history.

EVERY PLATFORM, EVERY VOICE

From TV and radio to streaming, podcasts, and digital content and social media, TRIC celebrates excellence wherever British talent shines. We've evolved with the industry for nearly a century.

CELEBRATION WITH PURPOSE

Every TRIC event raises vital funds for charity. Your success becomes a catalyst for positive change, supporting causes such as Refuge, the largest domestic abuse organisation in the UK, and Bright Young Dreams, whose goal is to help create a brighter future for young people, backing groundbreaking research, supporting clinicians, and building world-class facilities.

AN INDUSTRY THAT SUPPORTS ITS OWN

TRIC isn't just about awards, it's about bringing our industry together. When you attend a TRIC event, you're joining fellow broadcasters, producers, and creators, all of whom support their own by celebrating excellence and the impact of what the industry produces. Coupled with supporting charitable causes- and the people who work within it - so special.

Our awards represent something rare: recognition that comes from genuine public connection, wrapped in nearly a century of broadcasting celebration, all while making a tangible difference to people's lives through charitable fundraising. Because the best recognition comes from the people you reach, celebrates the industry you love, and creates change that matters.

Charity at the Heart of TRIC

Make a Direct Impact – Your Donation Changes Lives

Our unique events celebrate the talent and achievements of British entertainment while raising vital funds for charity, but we know not everyone can attend our exclusive gatherings.

That's why we invite you to make a direct donation and still be part of our mission to make the world a better place. Every pound you give goes straight to supporting Bright Young Dreams and Refuge - charities doing life-changing work for vulnerable young people.

Your generosity helps fund training programmes that transform futures and offers hope to those who need it urgently. Whether you donate £10 or £1,000, you're joining a community of people who believe British entertainment can be a force for good.

TRIC'S CHARITY PARTNERS

Refuge

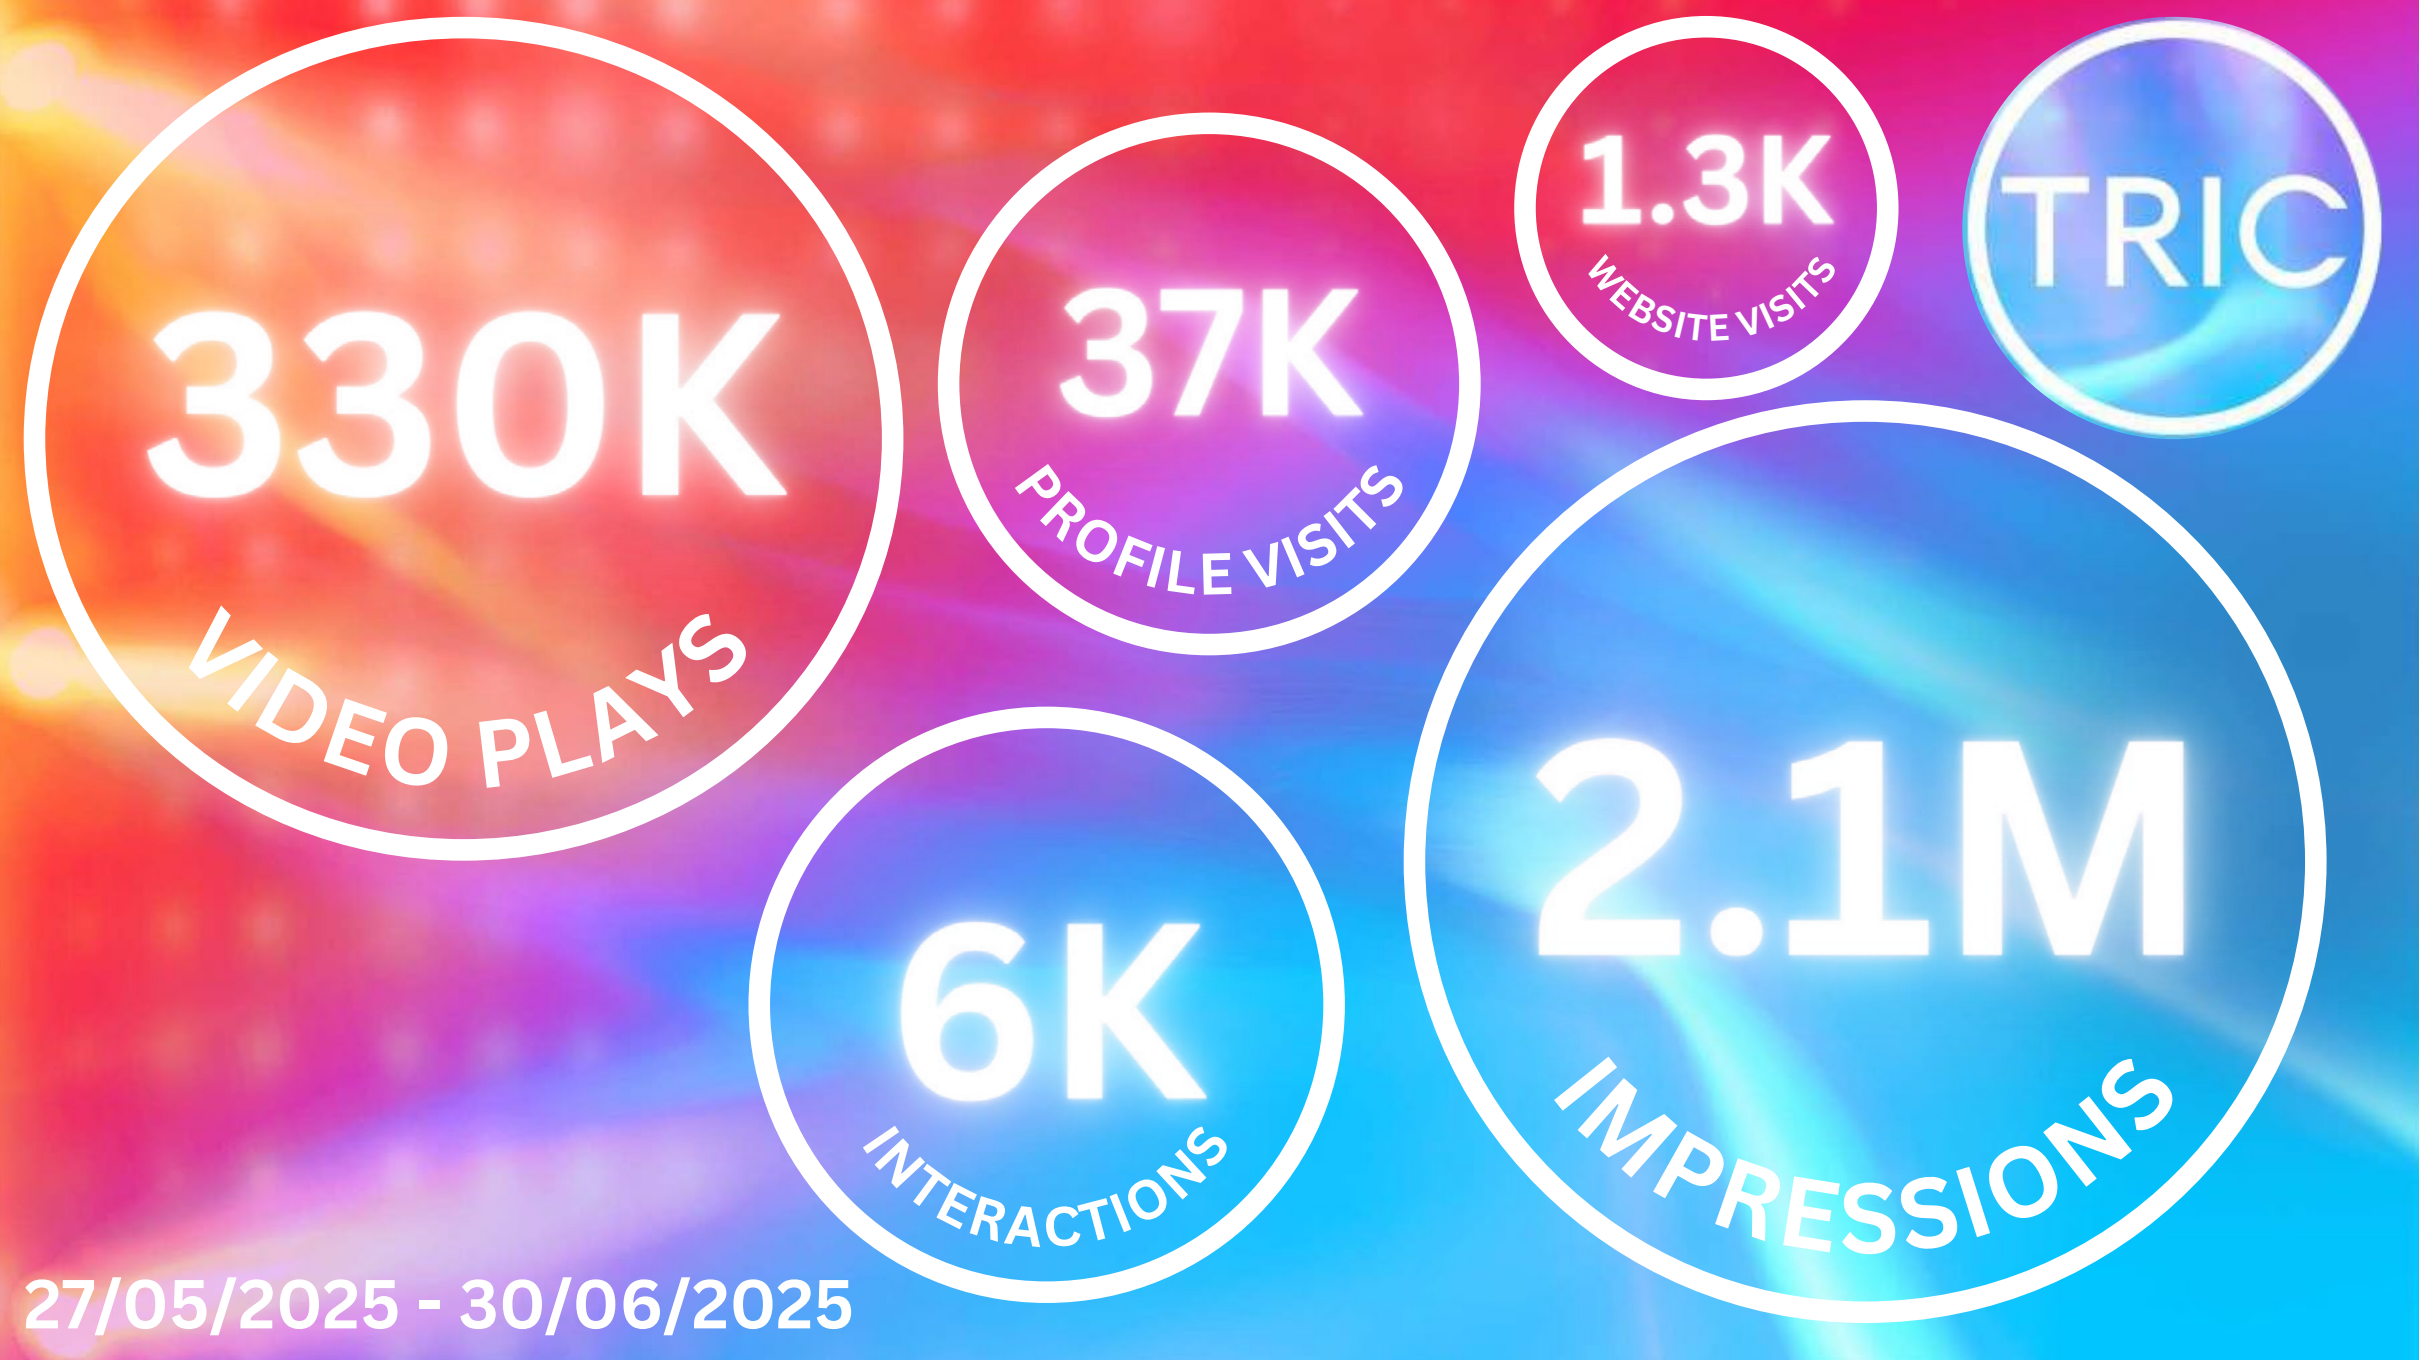

For women and children.
Against domestic violence.

Refuge is the UK's largest domestic abuse charity, which provides specialist support services to thousands of women and children experiencing domestic violence every year. Refuge operates a 24-hour National Domestic Violence Helpline, a network of safe houses across the country, and community outreach programmes that quite literally save lives. They provide not just emergency accommodation, but the practical and emotional support that helps survivors rebuild their futures.

Bright Young Dreams helps to address the urgent global crisis in children's mental health. Depression, anxiety and behavioural disorders are among the leading causes of illness and disability among adolescents. The consequences of failing to address adolescent mental health conditions extend to adulthood, impairing both physical and mental health and limiting opportunities to lead fulfilling lives as adults. Its mission is to raise over £5 million help fund a strategic action plan and infrastructure, in aid of Sheffield Children's, The Children's Hospital Charity and children around the world.
